MEET OUR TUTOR

Ciara is a qualified secondary English and Drama teacher, senior leader and head of department with a passion for creating engaging, supportive learning environments, where young people can grow in confidence and develop a love of learning.

As a home-educating parent herself, she understands the challenge many families face in finding high-quality, drop-off sessions that combine meaningful peer interaction with a calm, semi-structured approach. Inspired by her own family's experience, Ciara wanted to create a setting that bridges the gap between complete flexibility and a traditional classroom, helping students build confidence, collaborate with others and develop the skills needed for future study, including GCSEs if appropriate.

Working alongside Sparks Education, Ciara is excited to launch the KS3 English and Drama Learning Lounge. Rooted in the National Curriculum while remaining flexible and responsive to individual learners, these small-group English and Drama sessions provide a welcoming, purposeful environment where students can thrive academically, socially and creatively.
